Dear Mr Robinson

**Planning proposal PP-2020-4030 to amend State Environmental Planning Policy (Sydney Region Growth Centres) 2006**

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) and additional information received on 16 December 2020 in respect of the planning proposal to amend the *State Environmental Planning Policy (Sydney Region Growth Centres) 2006* (the Growth Centres SEPP) to include 'hotel or motel accommodation' as an additional permitted land use at 45 Hollinsworth Road, Marsden Park (Lot 1 DP 1176437) and to rezone a part of the site that is zoned SP2 Infrastructure (Local Road) to B5 Business Development.

As delegate of the Minister for Planning and Public Spaces, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

Council may still need to obtain the agreement of the Secretary to comply with the requirements of relevant section 9.1 Directions 2.6 Remediation of Contaminated Land, 4.3 Flood Prone Land and 4.4 Planning for Bushfire Protection. Council should ensure this occurs prior to public exhibition.

I have determined not to condition the Gateway for Council to be the local plan-making authority as the planning proposal seeks to amend a *State Environmental Planning Policy (Sydney Region Growth Centres) 2006*.

The amending local environmental plan (LEP) is to be finalised within six months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible (by April 2021). Council's request for the Department of Planning, Industry and Environment to draft and finalise the LEP should be made eight weeks prior to the projected publication date.

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to

meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Mr Ryan Klingberg to assist you. Mr Klingberg can be contacted on 9860 1561.

Yours sincerely
