

Gateway Determination

Planning proposal (Department Ref: PP_2016_SYDNE_006_00): to make minor policy and housekeeping amendments.

I, the A/Director, Sydney Region East, at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Sydney Local Environmental Plan (LEP) 2012 to make minor policy and housekeeping amendments should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning and Environment 2016).
2. Consultation is required with the Office of Environment and Heritage under section 56(2)(d) of the EP&A Act. The Office of Environment and Heritage is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **12 months** following the date of the Gateway determination.
