Dear Mr Backhouse,

**Re: Planning Proposal to rezone Lot 102, DP 1134585 (483 Liverpool Road, Strathfield South) from Special Uses 5(a) – PMG Exchange to Local Business 3(b)**

I am writing in response to your Council's letter dated 17 September 2009 requesting a Gateway Determination under section 56 of the Environmental Planning and Assessment Act 1979 ('EP&A Act') in respect of the planning proposal to amend the Strathfield Planning Scheme Ordinance to rezone Lot 102, DP 1134585 (483 Liverpool Road, Strathfield South) from Special Uses 5(a) – PMG Exchange to Local Business 3(b).

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway Determination.

The Gateway Determination requires that the planning proposal be made publicly available for a period of 14 days. Under section 57(2) of the Act I am satisfied that the planning proposal is in a form that can be made available for community consultation.

The amending Local Environmental Plan (LEP) is to be finalised within 6 months of the week following the date of the Gateway Determination.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Ms Tharani Yoganathan in the Regional Office of the Department.

Yours sincerely,

  
Sam Haddad  
Director-General
