I, the Director, Eastern District (City of Sydney) at the Department of Planning, Industry and Environment, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Sydney Local Environmental Plan (LEP) 2012 should proceed subject to the following conditions:

1. Prior to community consultation the planning proposal is to be revised to provide justification on the consistency with section 9.1 Directions 6.3 Site-Specific Provisions and 3.5 Development Near Licensed Aerodromes.
2. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
  - (a) the planning proposal must be made publicly available for a minimum of **28 days**;
  - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 6.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment, 2018); and
  - (c) All landowners in the APDG block, Ausgrid and Telstra are to be given notice of the planning proposal and public exhibition.

  - Heritage Council of NSW;
  - Sydney Water;
  - Sydney Airport Corporation;
  - Airservices Australia;

5. The time frame for completing the LEP is to be **12 months** following the date of the Gateway determination.
6. The planning proposal authority is authorised as the local plan-making authority to exercise the functions under section 3.36(2) of the Act subject to the following:
  - (a) the planning proposal authority has satisfied all the conditions of the Gateway determination;
  - (b) the planning proposal is consistent with section 9.1 Directions or the Secretary has agreed that any inconsistencies are justified; and
  - (c) there are no outstanding written objections from public authorities.
