Dear Mr Haddad

**Planning Proposal: To amend the definition of 'restaurant' in the Randwick Local Environmental Plan 1998**

At its Ordinary Council Meeting on 22 September 2009, Randwick Council resolved:

*That Council endorse the preparation of a planning proposal in accordance with the new plan-making process of the EP&A Act, to be forwarded to the Minister for Planning for determination, in relation to amending the definition of restaurants in the Randwick LEP 1998 to read as follows:-*

*"Restaurant means a building or place concerned with the primary role of providing food whether or not for consumption on the premises or for takeaway, and with the auxiliary role of the provision of alcohol with a meal." (Councillor Matson/ Belleli)*

Randwick Council requests the attached Planning Proposal be referred to the LEP Review Panel for determination under the 'gateway' process.
