Dear Ms Kenna

Planning Proposal PP_2010_RANDW_001_00 – Gateway Determination extension

I refer to the planning proposal for Inglis Newmarket stables, Randwick. On 25 September 2012, the Minister appointed the Sydney East Joint Planning Panel ("regional panel") as the relevant planning authority. At its meeting on 4 December 2012, the regional panel considered the merits of the planning proposal and resolved to progress to public exhibition. The planning proposal has exceeded its extended timeframe and is now overdue. Sydney Region East requests that an extension be given in light of the recent regional panel resolution.

I have determined as the delegate of the Minister, in accordance with section 56(7) of the Environmental Planning and Assessment Act, 1979, to amend the Gateway Determination extension dated 2 September 2011 for PP_2010_RANDW_001_00.

The Gateway Determination is amended by extending the time for the completion of the Planning Proposal by an additional 12 months. The Planning Proposal is now due for completion by 31 January 2014.

If you have any questions in relation to this matter, please contact Wayne Williamson of the Department of Planning and Infrastructure's Sydney Region East team on 9228 6159.

Yours sincerely

for Sam Haddad 4.2.13
Director General
