1.0 Introduction

This Planning Proposal has been prepared by the City of Ryde in response to a Council resolution of the 28 November 2017 which states in part the following:

That Council, in order to ensure certainty in the development process, undertakes a City wide heritage study to ensure items of heritage significance are identified and options for their adequate protection recommended. (See Attachment 1)

In response to the above resolution GML Heritage Consultants were engaged by Council in 2018 to conduct a comprehensive heritage review of the City of Ryde Local Government Area. The review aimed to ensure that places of high heritage significance were identified and adequately protected and that more certainty was provided for the in the development process.

In a report titled “City of Ryde Heritage Review” dated June 2019, GML Consultants have identified built, landscape and archaeological items that are of heritage significance to the City of Ryde for inclusion in Schedule 5 of *the Ryde Local Environmental Plan 2014* (see Attachment 2).

The report recommends that the following matters identified in the report be incorporated into a Heritage Review Planning Proposal:

- 44 new heritage items
- 6 new heritage conservation areas
- 2 new archaeological sites

The 44 identified heritage items comprise:

- 35 built items
- 6 culturally significant landscape items
- 3 street tree items

The report also recommended that the description of 8 existing heritage items within Part 1 of *Schedule 5 Environmental heritage of the Ryde Local Environmental Plan 2014* (RLEP2014) be amended.

1.1 Background

CITY OF RYDE HERITAGE STUDY 2010

The *Ryde Heritage Study 2010* was commenced in 2003, when the members of Council’s Heritage Advisory Committee sought heritage nominations from the community groups they represented.

Ryde Heritage Study 2010 identified and recommended that 71 properties be heritage listed, together with amendments to existing heritage listings (e.g. updated land title information, removal of items incorrectly identified) and boundary changes to a conservation area. The 71 properties identified for listing comprised 47 dwellings, 15 public building/churches and 9 stone survey markers.

Council resolved to:

- list properties only where the owners consented to the heritage listing,
- update existing heritage listings and
- make boundary changes to the Maxim Street Heritage Conservation Area.

In summary 6 new dwellings, 2 public buildings and 9 stone markers were listed.

Council further resolved not to pursue the heritage listing of any property unless the land owner specifically applied for a heritage listing and that the properties that had been rejected from this process not be considered in any future heritage studies.

As a result many items that were identified as having heritage significance by the Study and recommended for heritage listing currently have no statutory protection and are at risk of demolition or substantial alteration.

A review of the recommended heritage items in the Study revealed that since 2010:

- 1 has been significantly damaged by fire and is beyond salvageable repair,
- 9 have been demolished or consent granted for demolition,
- Several have been the subject of DAs for alterations (refer to Attachment 2) and
- 2 have been subject to Interim Heritage Orders resulting 2 amendments to RLEP2014 (refer below).

INTERIM HERITAGE ORDERS (IHO)

An IHO is a temporary heritage protection measure against the demolition of a potential heritage item. It also provides Council with the time to further assess the heritage significance of a potential item and take the appropriate steps to list the item if warranted.

The legal effect of an IHO made by a Local Council is that approval is required for any development for the life of the order and demolition is prohibited during that period.

Two of the properties identified in the *Ryde Heritage Study 2010*, 87 Bowden Street Meadowbank and 330 Rowe Street Eastwood, have had IHOs imposed and in both cases the IHOs on the sites culminated in subsequent amendments to RLEP2014 and the listing of the properties as items of local heritage significance on *Schedule 5 Environmental heritage*.

A further two IHOs have been imposed on properties not identified in the *Ryde Heritage Study 2010*. The details of the IHOs and proposed amendments to RLEP2014 are as follows:

- 68 Denistone Road Denistone – A development application was submitted in August 2018 to consolidate the existing 3 lots comprising the property and to subdivide the new lot into 2 lots. An indicative site plan indicated the site was to be redeveloped for a possible duplex and triplex that would be subject to future development applications.

Council, on 25 September 2018, resolved to prepare a Planning Proposal to list the property as an item of local heritage significance within *Schedule 5 Environmental heritage* of Ryde Local Environmental Plan 2014. An IHO was imposed on the property in September 2018. The PP to amend RLEP2014 and include the site on *Schedule 5 Environmental heritage* is progressing separately from the city wide review and was exhibited from 29 May 2019 to 28 June 2019.

- 68 and 70 Chatham Road Denistone – A development application was submitted in December 2018 to develop the land for multi dwelling housing development comprising 4 dwellings. Council on 26 February 2019 resolved to place an IHO on the property and to prepare a PP to list multiple properties within Chatham Road, Denistone as a heritage conservation area of local heritage significance within *Schedule 5 Environmental heritage* of RLEP2014.

The IHO came into place on the properties in 21 March 2019. GML Heritage Consultants' assessment confirmed that the area warranted listing as a heritage conservation area and as a result it is part of this Planning Proposal.

COUNCIL RESOLUTION

When reviewing the action to be undertaken to protect and heritage list 330 Rowe Street Eastwood Council on the 28 November 2017 resolved in part the following:

That Council, in order to ensure certainty in the development process, undertakes a City wide heritage study to ensure items of heritage significance are identified and options for their adequate protection recommended. (See Attachment 1)

CITY OF RYDE HERITAGE REVIEW – GML CONSULTANTS

GML Heritage Pty Ltd (GML) was engaged by City of Ryde in 2018 to conduct a comprehensive heritage review of the City of Ryde Local Government Area and provide options for their protection. The study is limited to pre-1940 development and does not include places of Aboriginal cultural significance.

As part of the study character areas and special areas identified in Ryde Development Control Plan 2014 were reviewed.

A total of 44 heritage items, 6 heritage conservation areas and 2 archaeological sites have been identified for listing in *Schedule 5* of RLEP2014 in the report ***City of Ryde Heritage Review***.

The heritage items comprise:

- 35 built items - The majority of built heritage items are Federation – style residential dwellings. Other identified sites include Victorian – style cottages and interwar dwellings. There are a number of churches, shopfronts and a school building
- 6 culturally significant landscape items - Landscape sites include foreshore parks and public landscapes where the course and pattern of the items history warrants listing.
- 3 street tree listings – 10 road verges are identified as containing significant street trees.

As a result of the review of the DCP character and special areas the following heritage conservation areas (HCA) are proposed:

- Lunds Estate HCA, Eastwood
- Summerhayes HCA ,Eastwood
- Chatham Road HCA, Denistone
- Darvall Estate HCA, Denistone
- Tyrell Street HCA, Gladesville

In addition a sixth heritage conservation area is proposed being Wharf Road HCA, Gladesville.

The proposed archaeological sites include:

- Glades Bay baths remnants located at Glades Bay Park and
- Former Squire's Brewery and Halvarsens Boat Yard at 20 Waterview Street Putney

Section 4.0 *Explanation of Provisions* of this Planning Proposal lists the individual items and provides maps of the proposed conservation areas.

- **The Planning Proposal**

This Planning Proposal has been prepared in accordance with the requirements of the *Environmental Planning and Assessment Act 1979* (in particular Section 3.33) and the relevant guidelines produced by the Department of Planning and Environment.

The Department of Planning and Environment requires a Planning Proposal to cover five main parts which form the basis of this document as follows:

- Part 1 – Statement of Objectives and Intended Outcomes of the proposed LEP (refer to 3.0 of the Planning Proposal)
- Part 2 – Explanation of the Provisions to be included in the LEP (refer to 4.0 of the Planning Proposal)
- Part 3 – Justification of objectives, outcomes and process for implementation (refer to 5.0 of the Planning Proposal)
- Part 4 – Maps to identify intent and applicable area (refer to 6.0 of the Planning Proposal)
- Part 5 – Community Consultation proposed to be undertaken on the Draft LEP (refer to 7.0 of the Planning Proposal)
- Part 6 – Projected time line - (refer to 8.0 of the Planning Proposal)

3.0 Objectives and Intended Outcomes

This part of the planning proposal responds to Section 3.33 of the Environmental Planning and Assessment Act 1979 which requires an explanation of what is planned to be achieved by the proposed amendments to RLEP2014.

The Objectives of the Planning proposal are:

- To amend *Schedule 5 Environmental heritage* and relevant Heritage Maps of RLEP2014 to include:
 - 44 additional Heritage items
 - 6 additional Heritage Conservation Areas and
 - 2 additional archaeological sites
 - Amend the description of 8 existing heritage items
- To ensure culturally significant heritage landscape items are included in *Schedule 5 Environmental heritage* of RLEP2014.

The Intended outcome of the Planning Proposal is to:

- Provide appropriate protection for built, landscape and archaeological heritage within the City of Ryde, through new heritage listings in *Schedule 5 Environmental heritage* of RLEP 2014, and to ensure current heritage listings are correctly identified.
- ensure greater certainty is provided for in the development process .

4.0 Explanation of Provisions

The proposed outcomes will be achieved by:

1. **Amending *Schedule 5 Environmental heritage* of Ryde LEP 2014 as follows:**

- Including 44 Heritage items in *Part 1 Heritage Items* and on Ryde LEP 2014 Heritage Map

Note: The table below (Table 1) has been structured in accordance with the requirements of the Environmental Planning and Assessment Act 1979 Standard Instrument. The Item number reflects the continuance of the existing Heritage Items schedule within RLEP2014 and not the GML *City of Ryde Heritage Review*.

Table 1 – HERITAGE ITEMS – NEW

- Amending existing items in *Schedule 5 – Environmental heritage*

Table 4 – HERITAGE ITEMS – AMENDED

Item No.	Locality	Type of Amendment	Current Item Name	Amended Item name
161, 162 and 163 – to be deleted New item number 250	Eastwood	Delete existing 3 items and create a new item amalgamating the 3 previous descriptions	Eastwood Park (gates) Eastwood Park (grandstand) Eastwood Park (pavilion)	Eastwood Park (including sports fields , gates , grandstand, croquet club and grounds, mature Phoenix palms and other significant trees)
6	Gladesville	Amend item description	Glades Bay Park (monument)	Glades Bay Park (including monument), foreshore reserve between Ross Street and Bill Mitchell Park and remnants of former public baths.

112	Gladesville	Amend item description	Monash Park (obelisk)	Monash Park (including oval, pavilion, significant boundary/street trees and obelisk)
157	Gladesville	Amend item description	Kissing Point park (former boat slips)	Kissing Point Park (including former boat slips and Bennelong Park)
87	Putney	Amend item description	Putney Park (house remains)	Putney Park (former Putney Park Pleasure Grounds , including seawall , remains of Lunnhilda/Dudhope estate and remains of Slazenger factory)
72	Meadowbank	Amend item description	Memorial Park (obelisk)	Memorial Park (including obelisk) and remnants of former Meadowbank Baths

- Amending RLEP2014 Heritage Maps:

RLEP2014 Heritage Maps are to be amended to include all new heritage items, conservation areas and archeological sites as identified above. (ATTACHMENT 3).

5.0 Justification

Section 3.33 of the Environmental Planning and Assessment Act 1979 enables the Director-General to issue requirements with respect to the preparation of a planning proposal. This section responds to all matters to be addressed in a planning proposal – including Director-General’s requirements for the justification of all planning proposals (other than those that solely reclassify public land).

5.1 Need for the Planning Proposal

5.1.1 Is the planning proposal a result of any strategic study or report?

The Planning Proposal is a result of Ryde Council’s ongoing process of heritage identification and protection. Council resolved on the 28 November 2017 in part the following:

That Council, in order to ensure certainty in the development process, undertakes a City wide heritage study to ensure items of heritage significance are identified and options for their adequate protection recommended.

In response to the above resolution GML Heritage Consultants were engaged by Council in 2018 to conduct a comprehensive heritage review of the City of Ryde Local Government Area. The review aimed to ensure that places of high heritage significance were identified and adequately protected and that more certainty was provided for the in the development process.

This Planning Proposal is in line with the recommendations of the GML Consultants report titled “City of Ryde Heritage Review “dated June 2019 (Attachment 2).

5.1.2 Is the planning proposal the best means of achieving the objectives or intended outcomes?

This Planning Proposal represents the only means of ensuring the protection of properties and places within the City of Ryde assessed as having heritage significance.

The Planning Proposal will ensure that the sites are recognised and protected from development that may adversely affect the significance of the sites and their contribution to the environmental heritage of the City of Ryde.

5.2 Relationship to strategic planning framework

5.2.1 Is the planning proposal consistent with the objectives and actions of the applicable regional or sub-regional strategy (including the Sydney Metropolitan Strategy and exhibited draft strategies)?

The strategic planning context for the consideration of this Planning Proposal includes:

- A Greater Sydney Region Plan – A Metropolis of Three Cities
- The North District Plan

Greater Sydney Regional Plan - A Metropolis of Three Cities

The *Greater Sydney Region Plan* (2018) outlines how Greater Sydney will manage growth and change and guide infrastructure delivery over the next 40 years.

The Vision of the Plan, is to meet the needs of a growing and changing population by transforming Greater Sydney into a metropolis of three cities – the Western Parkland City, the Central River City and the Eastern Harbour City.

The City of Ryde is located within the Eastern Harbour City. The Plan states that the established **Eastern Harbour City** will be building on its recognised economic strength and addressing liveability and sustainability. (p 8)

The Plan contains:

- Four key themes - infrastructure and collaboration, liveability, productivity and sustainability.
- 14 Metrics i.e. measurement tools
- Ten Directions and
- 40 Objectives

The theme of Liveability has as a direction and objective the following:

Direction – Designing places for people

Objective 13 – Environmental heritage is identified, conserved and enhanced (page 22)

The Regional Plan states:

Conserving, interpreting and celebrating Greater Sydney's heritage values leads to a better understanding of history and respect for the experiences of diverse communities. Heritage identification, management and interpretation are required so that heritage places and stories can be experienced by current and future generations. Environmental heritage is protected for its social, aesthetic, economic, historic and environmental values.

Environmental heritage is defined as the places, buildings, works, relics, moveable objects and precincts of State or local heritage significance. It includes natural and built heritage, Aboriginal places and objects, and cultural heritage such as stories, traditions and events inherited from the past.

Protection and management of heritage is a community responsibility undertaken by a broad range of stakeholders including Aboriginal people, State and local governments, businesses and communities. (page 77)

The Planning Proposal which aims to provide appropriate protection for built, landscape and archaeological heritage within the City of Ryde supports both the direction and objectives of the Plan.

North District Plan (2018)

The *North District Plan* (NDP 2018) sets out the planning priorities and actions for Greater Sydney's North District, which includes the local government areas of Hornsby, Hunters Hill, Ku-ring-gai, Lane Cove, Northern Beaches, Mosman, North Sydney, the City of Ryde and Willoughby.

The NDP provides the means by which the Greater Sydney Region Plan can be put into action at a local level, by setting out the opportunities, priorities and actions for the growth and development of the North District.

This Planning Proposal supports the following Planning Priority in the retention and renewing of local heritage:

Planning Priority N6 – “Creating and renewing great places and local centres, and respecting the District’s heritage”

This planning priority promotes local heritage as an important component of local identity that creates a distinctive built character. The NDP states that *“Identifying, conserving, interpreting and celebrating Greater Sydney’s heritage values leads to a better understanding of history and respect for the experiences of diverse communities. Heritage identification, management and interpretation are required so that heritage places and stories can be experienced by current and future generations.”* (NDP, p49)

The heritage study attached to this Planning Proposal confirms the importance of 70 individual heritage items and 6 heritage conservation areas. The listing of these properties and places under the RLEP2014 *Schedule 5 Environmental heritage* supports *Planning Priority N6* of the North District Plan .

(1) Local Planning Study (LPS)

Council adopted the *Ryde Local Planning Study (December 2010)* in response to the NSW Government’s *Metropolitan Strategy* and draft *Inner North Draft Subregional Strategy* to outline a vision for development of Ryde over the next 20 years.

The Local Planning Study was the basis for the preparation of the RLEP 2014. One of the aims of RLEP 2014 that was derived from the Local Planning Study was:

(d) to identify, conserve and promote Ryde’s natural and cultural heritage as the framework for its identity, prosperity, liveability and social development, (RLEP 2014 Clause 1.2(d))

The Planning Proposal is consistent with both the Study and RLEP 2014.

(2) The City of Ryde 2028 Community Strategic Plan

The Ryde 2028 Community Strategic Plan captures the needs and aspirations of the community and lays out the Vision and Outcomes that the community wants for the City of Ryde over the next 10 years. It also captures the City’s priorities for achieving these outcomes.

The seven outcomes for the City of Ryde articulated in the plan are:

- Our vibrant and liveable city
- Our active and healthy city
- Our natural and sustainable city
- Our smart and innovative city
- Our connected and accessible city
- Our diverse and inclusive city
- Our open and progressive city

The Planning Proposal is in line with the goals and strategies of the Community Strategic

Plan 2028. It speaks to both outcome one: Our Vibrant and Liveable City; and to outcome six: Our Diverse and Inclusive City.

Outcome one describes a city “designed with a strong sense of identity and place” (p16), describes the community’s desire to “protect and maintain Ryde’s character and heritage” and includes goals to “uphold and protect its unique character” (p17).

Outcome six describes a city with a “rich social, cultural, historical and creative tapestry [which] provides an enduring legacy for future generations” (p26) and “a distinct local identity built on our city’s character and rich cultural heritage” (p27).

The Planning Proposal responds to the above by protecting key buildings and landscapes which contribute to Ryde’s historical and cultural legacy.

5.2.3 Is the planning proposal consistent with applicable state environmental planning policies?

A summary assessment of the Planning Proposal in terms of State Environmental Planning Policies that are relevant to the City of Ryde is contained in the table below (Table 1).

This assessment indicates that the draft LEP contained in this Planning Proposal is consistent with all relevant State environmental planning policies.

Table 5 – Consistency with relevant SEPPs

State Environmental Planning Policies (SEPPs)	Consistent		Comment
	YES/NO	N/A	
State Environmental Planning Policy No 19 - Bushland in Urban Areas	Yes		No matters in the PP alter the degree to which bushland will be protected under RLEP 2014
State Environmental Planning Policy No 21 - Caravan Parks.		✓	Applies to the whole of the State. Not relevant to this proposed amendment
State Environmental Planning Policy No 33 - Hazardous and Offensive Development		✓	Applies to the whole of the State. Not relevant to this proposed amendment
State Environmental Planning Policy No 50 - Canal Estate Development.		✓	Applies to the whole of the State. Not relevant to this proposed amendment
State Environmental Planning Policy No 55 - Remediation of Land.	Yes		The PP is consistent with the aims and objectives of the SEPP
State Environmental Planning Policy No 64 - Advertising and		✓	Applies to the whole of the State. Not relevant is proposed amendment

State Environmental Planning Policy (Mining, Petroleum Production and Extractive Industries) 2007		✓	Applies to the whole of the State. Not relevant to this proposed amendment
State Environmental Planning Policy (Education Establishments and Child Care Facilities) 2017		✓	Applies to the whole of the State. Not relevant to this proposed amendment
State Environmental Planning Policy (Vegetation in Non Rural Areas) 2017	Yes		None of the matters within the PP raise issues with the SEPP.
State Environmental Planning Policy (Coastal Management) 2018	Yes		None of the matters within the PP raise issues with the SEPP.
Deemed SEPPs			
Sydney Regional Environmental Plan (Sydney Harbour Catchment) 2005		✓	Applies to the whole of the State. Not relevant to this proposed amendment

5.2.4 Is the planning proposal consistent with applicable Ministerial Directions (s.9.1 directions)?

The following is a list of Directions issued by the Minister for Planning to relevant planning authorities under section 9.1 of the *Environmental Planning and Assessment Act 1979*. These directions apply to planning proposals lodged with the Department of Planning and Environment on or after the date the particular direction was issued:

Consideration of Relevant Section 9.1 Directions applying to planning proposals

<u>5.5 Development in the vicinity of Ellalong, Paxton and Millfield (Cessnock LGA) (Revoked 18 June 2010)</u>			
<u>5.6 Sydney to Canberra Corridor (Revoked 10 July 2008. See amended Direction 5.1)</u>			
<u>5.7 Central Coast (Revoked 10 July 2008.)</u>			
<u>5.8 Second Sydney Airport: Badgerys Creek (Revoked 20 August 2018)</u>			
<u>5.9 North West Rail Link Corridor Strategy</u> Objective: To promote trains oriented development and manage growth around the eight train stations of the North West Rail Link			X
<u>5.10 Implementation of Regional Plans</u> Objective: To give legal effect to the vision , land use strategy, goals , directions and actions contained in Regional Plans.			X

<u>5.11 Development of Aboriginal Land Council land</u> Objective: To provide consideration of development delivery plans prepared under <i>State Environmental Planning Policy (Aboriginal Land) 2019</i> .			x
---	--	--	---

6. Local Plan Making			
<u>6.1 Approval and Referral Requirements</u> Objective: To ensure that LEP provisions encourage the efficient and appropriate assessment of development.			x
<u>6.2 Reserving Land for Public Purposes</u> Objective: To facilitate the provision of public services and facilities.			x
<u>6.3 Site Specific Provisions</u> Objective: To discourage unnecessary restrictive site specific planning controls.			x

7. Metropolitan Planning			
<u>7.1 Implementation of the Metropolitan Plan for Sydney.</u> Objective: To give legal affect to the vision contained in A Plan for Growing Sydney. Comment:- The Planning Proposal is consistent with the aims of A Plan for Growing Sydney and Draft Greater Sydney Regional Plan	x		The identification of items of local heritage significance within the City of Ryde supports the Goals and Directions of A Plan for Growing Sydney
<u>7.2 Implementation of Greater Macarthur Land Release Investigation</u> Objective: to ensure development within the Area is consistent with the Greater Macarthur Land Release Preliminary Strategy and Action Plan			x
<u>7.3 Parramatta Road Corridor Urban Transformation Strategy</u> Objective: To facilitate development within the Corridor that is consistent with the Strategy and			X

the Parramatta Road Corridor Implementation Tool Kit.			
<u>7.4 Implementaion of North West Priority Growth Area Land Use and Infrastructure Implementation Plan</u> Objective: To ensure development within the North West Priority Growth Area is consistent with the Strategy.			X
<u>7.5 Implementon of Greater Parramatta Prioriy Growth Area Interim Land Use and Infrastructure Implementation Plan</u> Objective: To ensure development within the Area is consistent with the Implementation Plan.			X
<u>7.6 Implementation of Wiltion Priority Growth Area Interim Land Use and Infrastructure Implementation Plan</u> Objective: To ensure development within the Priority Growth Area is consistent with the Implementation Plan and Back ground Analysis.			X
<u>7.7 Implementation of Glenfield to Macarthur Urban Renewal Corridor</u> Objective: To ensure development within the precincts between Glenfield and Macarthur is consistent with the plans for these precincts.			X

On 27 September 2018, the Minister for Planning gave an additional direction under 9.1 of the *Environmental Planning and Assessment Act 1979* with the objective of identifying the types of Planning Proposals that are to be advised on by Local Planning Panels on behalf of councils in the Greater Sydney Region and Wollongong and to establish the procedures in relation to those matters. This Direction is relevant to this Planning Proposal, and the proposal will be referred to the Ryde Local Planning Panel for advice on whether or not the PP should be forwarded to the Minister or Greater Sydney Commission under Section 3.34 of the EP&A Act 1979.

On the 28 February 2019 the Minister for Planning gave an additional direction under 9.1 of the *Environmental Planning and Assessment Act 1979*. The Direction is the *Environmental Planning and Assessment (Planning Agreements) Direction 2019* and is required to be considered by Councils if negotiating the terms of a proposed planning agreement that includes provision for affordable housing in connection with a development application. This direction is not applicable to the Planning Proposal.

5.3 Environment, social and economic impact

5.3.1 Impact on Critical Habitat, Threatened Species and Ecological Communities

The Planning Proposal will not affect any critical habitat or threatened species, populations or ecological communities, or their habitats nor is it expected to have any adverse environmental effects.

5.3.2 Are there any other likely environmental effects as a result of the planning proposal and how are they proposed to be managed?

No, there is no likelihood for any other significant environmental effects. This planning proposal relates to heritage matters only.

Heritage

The Planning Proposal aims to lists properties, landscapes and areas as heritage items and conservation areas within the Ryde LEP 2014, so that they will be protected through *Clause 5.10 Heritage conservation* of LEP 2014 from work that would adversely affect their heritage significance.

5.3.3 Has the planning proposal adequately addressed any social and economic effects?

It is considered that the planning proposal will have positive social impacts through increased local heritage protection.

The planning proposal is not considered likely to have any significant economic impacts. The economic impacts of heritage listing are impossible to determine due to the individual nature of the properties involved.

5.4 State and Commonwealth interests

5.4.1 Is there adequate public infrastructure for the planning proposal?

The planning proposal will not place additional demands on the existing infrastructure within the City of Ryde.

5.4.2 What are the views of State and Commonwealth public authorities consulted in accordance with the Gateway determination?

Any State or Commonwealth authority that is identified in the Gateway determination as needing to be consulted will be consulted following that determination.

6.0 Mapping

Proposed Draft Ryde LEP 2014 Heritage Maps, indicating the proposed amendments being sought is provided in Attachment 3.

7.0 Community Consultation

This section provides details of the community consultation that is to be undertaken on the planning proposal:

The community consultation process to be undertaken for this Planning Proposal is expected to be undertaken in the following manner for a 28 day period:

- Written notice given:
 - in the local newspaper circulating in the area,
 - on Council's webpage, and
 - to all affected property owners and tenants where a change in heritage status of a property is proposed ie. proposed heritage items and properties within heritage conservation areas
 - to all properties within the vicinity of a heritage item as defined by Part 2.1 Notification of Development Applications' extended adjoining land'.
 - to local state government representatives;
 - to relevant State and Commonwealth authorities as identified in the Gateway Determination.
 - Additional multi-lingual newspapers circulated locally.
- The written notice will:
 - provide a brief description of the objectives and intended outcomes,
 - state where the Planning Proposal can be inspected,
 - indicate the last date for submissions, and
 - confirm whether the Minister has chosen to delegate the making of the LEP.
 - Proposed information session times where relevant

For letters sent to property owners and tenants of proposed heritage items a heritage inventory sheet relating to the property or area will be included.

- Series of information/drop in sessions being no less than:
 - 6 drop in sessions
- The following materials will be placed on exhibition in within each library, and Council's Business and Advisory Centre
 - the Planning Proposal,
 - the Gateway Determination.
 - Council resolution and reports
 - GML Heritage Report and Inventory Sheets

A copy of the consultation programme prepared by Council's Communication and Engagement Team is provided in ATTACHMENT 4.

8.0 Project Timeline

Milestones	
Planning Proposal submitted with request for Gateway Determination	August 2019
Gateway Determination received by Council January/February 2019	September/October 2019
Community Consultation (anticipated 28 days) March/April 2019	October 2019
Outcomes of Community Consultation presented to Council May/June 2019	November 2019
Planning Proposal submitted to Department of Planning and Environment requesting notification on Government website	November 2019
