Dear Mr Gordon,

Planning proposal to amend the Wingecarribee Local Environmental Plan 2010

I am writing in response to Council's letter dated 18 January 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to permit hospice as an additional permitted use on land at 11 Edward Street, Bowral.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

Council should contact the relevant regional office of the department should it require assistance in relation to the exercise of its delegation, including any assistance it may require to liaise with Parliamentary Counsel's Office on the drafting of the Plan, including concerns with legal drafting as it is noted that 'hospice' is not a defined term in the Standard Instrument Order.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The NSW State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Meredith McIntyre of the regional office of the department on 02 6229 7900.

Yours sincerely,

Richard Pearson
A/Director General

Gateway Determination

Planning proposal (Department Ref: PP_2013_WINGE_003_00): to permit a hospice on land at 11 Edward Street, Bowral.

I, the Acting Director General, Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Wingecarribee Local Environmental Plan (LEP) 2010 to permit hospice as an additional permitted use on land at 11 Edward Street, Bowral should proceed subject to the following conditions:

1. Prior to undertaking public exhibition, Council is to amend the planning proposal to demonstrate consistency or justify any inconsistency with relevant S117 Directions. In particular, Council is to address the impacts of the proposal on the Bowral Heritage Conservation Area and adjoining heritage items St Jude's Anglican Church and Eldon Cottage, to determine its consistency with Direction 2.3 Heritage Conservation.
2. Prior to undertaking public exhibition, Council is to amend the planning proposal to include a project timeline, consistent with Section 2.6 Part 6 of the *A Guide to Preparing Planning Proposals*. The project timeline is to provide a mechanism to monitor the progress of the planning proposal.
3. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2012)*.
4. No consultation is required with public authorities under section 56(2)(d) of the EP&A Act.
5. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
6. The timeframe for completing the LEP is to be **12 months** from the week following the date of the Gateway determination.
