Attention: Andrew Donald

Dear General Manager,

Planning Proposal PP_2017_LAKEM_005 to amend Council Local Environmental Plan 2014

I am writing in response to Council's request for a Gateway determination under Section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the Planning Proposal to rezone land at Jonathan Street Eleebana for residential and environmental conservation purposes.

As delegate of the Minister for Planning, I have now determined the Planning Proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed, as delegate of the Secretary, the Planning Proposal's inconsistencies with Section 117 Directions 1.2 Rural Zones and 3.4 Integrating Land Use and Transport are justified in accordance with the terms of the Direction. No further approval is required in relation to these Directions.

Council may still need to obtain the agreement of the Department's Secretary to comply with the requirements of relevant Section 117 Directions 2.1 Environmental Protection zones, 4.2 Mine Subsidence and unstable land, 4.4 Planning for Bushfire protection and 5.10 Implementation of Regional Plans. Council should ensure this occurs prior to the plan being made.

Plan making powers were delegated to Councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the

projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under Section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any further enquiries about this matter, I have arranged for Mr Ben Holmes to assist you. Mr Holmes can be contacted on (02) 4904 2709.

Yours sincerely
