Lisa

Was discussed at the Liaison Meeting at the end of last year. Was noted that Advisian are underway with the required water cycle assessment work – this should be finalised shortly. Was also noted that proponents were looking at a new or revised PP.

Essentially the delay on this one was created by the proponents focussing on obtaining the subdivision consent for the Badgee URA – this has now been obtained. They have now shifted their focus back onto resolving the two deferred areas with Council through the PP.

Do you have any details as to why the proposal hasn't been completed yet and what is to happen in the next 12 months to finalise it. Lisa

Lisa,  
Yes, in Eric's absence, we will need a further extension for this one as well.

Hi Gordon and Kerrie

Just noticed that the Gateway Determination for Badgee Deferred Area planning proposal (PP\_2014\_SHOAL\_001\_02) expires on 4 March 2020.

In Eric's absence, will you be seeking an extension to continue with the proposal?

Thanks Lisa
