Attn: George Cutis

Dear George,

**Subject: Planning Proposal**  
**Proposal: Amendment #8 - Minor Amendments and Corrections**

---

Reference is made to Council's Planning Proposal (Amendment #8) that will make various amendments to the Goulburn Mulwaree Local Environmental Plan (GMC LEP) 2009.

Please be advised Council has made further changes in relation to clauses 4.1AA and 4.2B Council resolved on 5 June 2018 as follows. This revision was to not proceed with proposed changes to include Zone RU6 in clause 4.1AA and 4.2B at this stage due to a Strategy currently being undertaken by Council having a wider look at the use of Zone RU6 Transitional. Relevant items are as follows;

- Item 8 amendment to clause 4.1AA (pg. 9);
- Item 9 amendment to clause 4.2B (pg. 9);

Further to this advice, we would like to seek an extension to the Gateway determination of PP\_2016\_ GOULB\_003\_00 Amendment #8 - Minor Amendments and Corrections which is due to expire on 22 June 2018. This is due to this change and requirement to seek further advice from the department on whether re-exhibition was required and report back to Council as part of this revision. As the Planning Proposal is at the end of the process and further revisions are not anticipated Council view a three month extension as being sufficient.

Should additional information be required to clarify Council's request, please contact me on 4823 4454 or at [alexanda.adkins@goulburn.nsw.gov.au](mailto:alexanda.adkins@goulburn.nsw.gov.au) .

Yours sincerely,
