Dear Mr Gordon,

Planning proposal to amend Wingecarribee Local Environmental Plan 2010

I am writing in response to Council's request for a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to reduce the minimum lot size for Lot 3, DP 603903 and Lot 54, DP 1107101 at Broughton Street, Moss Vale from 700sqm to 500sqm.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending LEP is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The NSW State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Meredith McIntyre of the regional office of the department on 02 6229 7900.

Yours sincerely,

Sam Haddad
Director General

Gateway Determination

Planning proposal (Department Ref: PP_2013_WINGE_002_00): to reduce the minimum lot size for land at Broughton Street, Moss Vale.

I, the Director General, Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Wingecarribee Local Environmental Plan (LEP) 2010 to reduce the minimum lot size for Lot 3, DP 603903 and Lot 54, DP 1107101 at Broughton Street, Moss Vale from 700sqm to 500sqm should proceed subject to the following conditions:

1. It is noted that the planning proposal advises that a copy of Council's assessment of S117 Directions is included with the planning proposal, however this assessment has not been included. Consequently, prior to undertaking public exhibition, Council is to amend the planning proposal to demonstrate consistency or justify any inconsistencies with relevant S117 Directions.
2. Council is to consult with the NSW Rural Fire Services as per the requirements of S117 Direction 4.4 Planning for Bushfire Protection and amend the planning proposal, if necessary, to take into consideration any comments made prior to undertaking public exhibition.
3. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2012).
4. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act:
 - NSW Rural Fire Service

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material. Each public authority is to be given at least 21 days to comment on the proposal, or to indicate that they will require additional time to comment on the proposal. Public authorities may request additional information or additional matters to be addressed in the planning proposal.

5. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
6. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 8th day of February 2013.
