

Gateway Determination

Planning proposal (Department Ref: PP_2015_HARDE_001_00): to insert a SP3 Tourist Zone into the Harden LEP 2011 and to rezone Part Lot 1, DP1005478, Moppity Road, Young to SP3 Tourist.

I, the General Manager, Southern Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Harden Local Environmental Plan (LEP) 2011 to insert a SP3 Tourist Zone into the Harden LEP 2011 and to rezone Part Lot 1, DP1005478 to SP3 Tourist should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the *Environmental Planning and Assessment Act 1979* as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of A Guide to Preparing LEPs (Department of Planning and Environment 2013).
2. No consultation is required with public authorities under section 56(2)(d) of the *Environmental Planning and Assessment Act 1979*.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the *Environmental Planning and Assessment Act 1979*. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **12 months** from the week following the date of the Gateway determination.

Acting General Manager
Harden Shire Council

Harden NSW 2587

Attention: Sharon Langman

Dear Mr Drowley

Planning proposal to amend Harden Local Environmental Plan 2011

I am writing in response to your Council's letter dated 19 June 2015 requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to insert a SP3 Tourist Zone into the Harden LEP 2011 and to rezone Part Lot 1, DP1005478 at Moppity Road, Young to SP3 Tourist zone.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistency with S117 Direction 1.2 Rural Zones is of minor significance. No further approval is required in relation to this Direction.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the *Environmental Planning and Assessment Act 1979* if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Ms Meredith McIntyre of the Department's regional office to assist you. Meredith can be contacted on (02) 6229 7912.

Yours sincerely
