Dear Brett,

Planning Proposal for Gateway Determination – Residential Properties – Various properties

At the Ordinary Council meeting held on the 12th June 2012, Council resolved to forward a Planning Proposal to the NSW Department of Planning and Infrastructure to amend the zones for various residential properties in the Bega Shire from what was exhibited in the Draft BVLEP 2010.

The objective of the re-zoning is to provide additional supply of medium density residential dwelling and tourist development opportunities to meet demand in existing urban areas identified through submissions to the Draft Local Environmental Plan 2010.

Council requests a Gateway Determination on the Planning Proposal from the Minister for Planning and Infrastructure in accordance with Section 56 of the *Environmental Planning and Assessment Act 1979*. As such, please find enclosed a copy of the Council resolution and Planning Proposal report for your reference.

As this matter is of local significance, we are seeking delegation of the plan-making functions under Section 59 of the *Environmental Planning and Assessment Act 1979*. This delegation will be to the position of General Manager, and sub-delegated to the position of Group Manager Planning and Environment. The NSW Department of Planning and Infrastructure's *Evaluation Criteria for the Delegation of Plan Making Functions* is attached to this Proposal.

Should you have any queries regarding the Planning Proposal, please contact Council's Strategic Planner, Sophie Thomson, on (02) 6499 2246 or sthomson@begavalley.nsw.gov.au.

Kindest regards,
