Manly Council resolved at its Ordinary Meeting of 20th April 2015 to submit a Planning Proposal to the Department of Planning and Environment's Gateway Determination Panel to amend the Manly Local Environmental Plan 2013 (MLEP).

The full resolution of Council is as follows:

- 2. Council Submit the Planning Proposal to the Department of Planning and Environment's LEP Gateway Determination Panel for determination and making of the Amending Manly LEP 2013 under delegation.*

The Planning Proposal seeks to amend the MLEP by inserting a new local noise provision in Part 6 of the LEP. The local provision relates to noise mitigation measures for licensed premises. Council has been in contact with the Department previously regarding this matter. The Department by letter dated 19th March 2015 (see attached Planning Proposal) advised Council to proceed with the proposal and submit to the Gateway Determination Panel.

Council seeks delegation for making of this amendment to its LEP as detailed in the Planning Proposal.
