Hi Paul,

I acknowledge receipt of the request to withdraw. One of our team will be in touch shortly to arrange the refund.

Unfortunately we have missed the cut off to amend the business papers, so it will still be listed in the Council Report and we will prepare a supplementary paper noting the withdrawal.

Regards,

Liz

Good Afternoon Liz,

I have just met with the proponents of the Planning Proposal for the subject site.

They have instructed me to formally withdraw the application and seek a refund of any fees that are refundable. Is there a process beyond this email that needs to be initiated to put

effect to the withdrawal?

Please be advised that, owing to my second shoulder reconstruction in just over a year, I am somewhat incapacitated and can only type one handed. During this time, my emails may seem short and terse. I don't want anyone to think I am being short and terse out of displeasure. I would rather people understand that I am concerned enough to write a reply with difficulty even if it is short and terse.
