Dear Mr Farmer

**Planning proposal to amend Wollongong Local Environmental Plan 2009 –
St Joseph's Catholic Church and St Joseph's former Catholic Convent, Bulli –
(PP_2016_WOLLG_007_00)**

I am writing in response to Council's letter dated 24 October 2016 requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to identify St Joseph's Catholic Church and St Joseph's former Catholic Convent, 48-50 Park Road, Bulli, as items of local heritage significance in the Wollongong Local Environmental Plan 2009.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have agreed that the proposal is consistent with applicable s117 Directions and no further approval is required in relation to these Directions.

Plan making powers were delegated to Councils by the Minister in October 2012. It is noted that Council has not indicated whether or not it would like to be issued with delegation for this planning proposal. However, I have considered the nature of the proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan is to be finalised within 12 months of the week following the date of the Gateway determination. Council's request to draft and finalise the Local Environmental Plan should be made directly to Parliamentary Counsel's Office six weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete Local Environmental Plans by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Ms Louise Myler of the Department's regional office to assist you. Louise can be contacted on (02) 4224 9463.

Yours sincerely

Gateway Determination

Planning proposal (Department Ref: PP_2016_WOLLG_007_00): to identify St Joseph's Catholic Church and St Joseph's former Catholic Convent – 48-50 Park Road Bulli – as items of local heritage significance.

I, the Acting Director Regions, Southern, at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Wollongong Local Environmental Plan 2009 as described above should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the *Environmental Planning and Assessment Act 1979* as follows:
 - (a) the planning proposal must be made publicly available for 28 days; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of 'A guide to preparing local environmental plans (Planning and Environment, 2016)'.
2. Consultation is required with the following public authorities under section 56(2)(d) of the *Environmental Planning and Assessment Act 1979*:

- Office of Environment and Heritage – Heritage Council

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material. Each public authority is to be given at least 21 days to comment on the proposal, or to indicate that it will require additional time to comment on the proposal. Public authorities may request additional information or additional matters to be addressed in the planning proposal.

3. No public hearing is required to be held into the matter under section 56(2)(e) of the *Environmental Planning and Assessment Act 1979*. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be 12 months from the week following the date of the Gateway determination.
