Dear Mr Deasey,

Re: Planning Proposal to add Lot 83 DP 752459 and Lot 6 DP 248699 to Schedule 1 Vacant Holdings of Dungog LEP 2006 to enable a development application to be lodged in relation to each of the sites for the consent to construct a dwelling

I am writing in response to your Council's letter dated 22 September 2009 requesting a Gateway Determination under section 56 of the Environmental Planning and Assessment Act 1979 ('EP&A Act') in respect of the planning proposal to amend Dungog Local Environmental Plan 2006 to add Lot 83 DP 752459 and Lot 6 DP 248699 to Schedule 1 Vacant Holdings to enable a development application to be lodged in relation to each of the sites for the consent to construct a dwelling.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway Determination.

The Gateway Determination requires that the planning proposal be made publicly available for a period of 14 days. Under section 57(2) of the Act I am satisfied that the planning proposal is in a form that can be made available for community consultation.

The amending Local Environmental Plan (LEP) is to be finalised within 3 months of the week following the date of the Gateway Determination.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Ms Katrine O'Flaherty in the Regional Office of the Department.

Yours sincerely,

Sam Haddad
Director-General

4. The timeframe for completing the LEP is to be **3 months** from the week following the date of the Gateway determination.

Dated 28th day of October 2009.
