Ms Ann Prendergast
Acting General Manager
Wingecarribee Shire Council
PO Box 141
MOSS VALE NSW 2577

Dear Ms Prendergast,

Planning proposal to amend Wingecarribee Local Environmental Plan 2010

I am writing in response to your Council's letter dated 17 January 2014 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to permit a highway service centre and hotel or motel accommodation on land at 1-9 Church Avenue, Colo Vale.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistencies with S117 Directions 1.5 Rural Lands and 2.1 Environment Protection Zones are of minor significance. No further approval is required in relation to these Directions.

Council may still need to obtain the Director General's agreement to satisfy the requirements of relevant S117 Directions. Council should ensure this occurs prior to the plan being made.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Ms Meredith McIntyre of the Department's regional office to assist you. Ms McIntyre can be contacted on (02) 6229 7900

Yours sincerely,

24/2/14

Gateway Determination

Planning proposal (Department Ref: PP_2014_WINGE_002_00): to permit a highway service centre and hotel or motel accommodation on land at 1-9 Church Avenue, Colo Vale.

I, the Deputy Director General, Growth Planning and Delivery at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Wingecarribee Local Environmental Plan (LEP) 2010 to permit a highway service centre and hotel or motel accommodation on land at 1-9 Church Avenue, Colo Vale should proceed subject to the following conditions:

1. A detailed traffic impact analysis is to be prepared and address requirements of Roads and Maritime Services (RMS) as outlined in the letter from RMS to Council on 10 June 2011.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2013).
3. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act and/or to comply with the requirements of relevant S117 Directions:
 - Roads and Maritime Services
 - NSW Rural Fire Service (S117 Direction 4.4 Planning for Bushfire Protection)
 - Sydney Catchment Authority (S117 Direction 5.2 Sydney Drinking Water Catchments)

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.

4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
