Hi William

My apologies for taking so long to respond on this proposal, however I can now confirm that WaterNSW in fact does not wish to make any comment, as no WaterNSW land or assets is affected by the proposal, and it will not impact on water quality.

Kind regards  
Alison

**Subject:** REZ/0004/1516 - Bungonia HCA Planning Proposal

Good afternoon Alison,

Sorry for not being able to get this to you earlier but we were adding the final touches.

As discussed yesterday please find attached the Planning Proposal to create a Heritage Conservation Area over the Village of Bungonia.

Any comments that Water NSW would be greatly appreciated in an expedited manner so that we can submit the Planning Proposal to the Department of Planning and Environment before the end of the year.

Kind regards (and have a nice weekend),

William
