Dear Mr Montague,

Planning proposal to amend Canterbury Local Environmental Plan 2012

I am writing in response to your Council's letter dated 21 March 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal (Amendment No 2) to rezone land at 30 Trevenar Street, Ashbury to R3 Medium Density Residential and apply a 0.5:1 floor space ratio to the land; increase the floor space ratio for land at 436 and 466-454 Canterbury Road, Campsie to 1.6:1; and rezone land at 591-605, 754-794 Canterbury Road and 1A Trafalgar Street, Belmore to R4 High Density Residential, increase the floor space ratio to 1.6:1 and increase the maximum building height to 18m for the land.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Michael Kokot of the regional office of the department on 02 9228 6111.

Yours sincerely,

Daniel Keary 26/4/13

Gateway Determination

Planning proposal (Department Ref: PP_2013_CANTE_001_00): to amend the land zoning, floor space ratio and maximum building height for land at Ashbury, Campsie and Belmore.

I, the Acting Executive Director, Metropolitan Planning at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Canterbury Local Environmental Plan (LEP) 2012 to rezone land at 30 Trevenar Street, Ashbury to R3 Medium Density Residential and apply a 0.5:1 floor space ratio to the land; increase the floor space ratio for land at 436 and 466-454 Canterbury Road, Campsie to 1.6:1; and rezone land at 591-605, 754-794 Canterbury Road and 1A Trafalgar Street, Belmore to R4 High Density Residential, increase the floor space ratio to 1.6:1 and increase the maximum building height to 18m for the land should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2012)* must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2012)*.
2. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act:
 - Ausgrid
 - NSW Land and Housing Corporation
 - Roads and Maritime Services

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).

4. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated **26th** day of **APRIL** 2013.
