DISCLAIMER

This map has been compiled by the Mine Subsidence Board from official records held by the Department of Primary Industries, surface data supplied by Department of Lands and from information supplied by the mine owners. Therefore no warranty is expressed or can be implied to any other person as to the accuracy of the map or that it is free from any error or omission. Accordingly the State of New South Wales, the Mine Subsidence Board, their servants and agents expressly disclaim any liability whatsoever for the consequences arising from any act done or omission made in reliance by others on the information contained in the map. Further information is available from the Mine Subsidence Board. The original Record Tracings are held by the Department of Primary Industries (Minerals).
