Dear Brett,

Re: Submission of Planning Proposal to Permit the Development of the Shoalhaven Cancer Care Centre adjacent to the existing Shoalhaven District Memorial Hospital

Please find enclosed the planning proposal for the above project. The rezoning of the land adjacent to the existing Shoalhaven Memorial District Hospital is essential if the new Shoalhaven Cancer Care Centre is to be progressed. As outlined in the attached planning proposal, the development is one of great public benefit to the people of the Shoalhaven and is consistent with the strategic planning framework that applies.

As the Director-General of the Department of Planning has been declared the "Relevant Planning Authority" by the Minister for Planning in accordance with Section 54(2) of the Environmental Planning and Assessment Act 1979, we formally submit the attached planning proposal for a Gateway Determination.

If you require any additional information or wish to discuss the proposal, please contact Troy Harvey, Project Director on 02 9978 5450 or our consultant Leone McEntee on 0410 432 505.

Yours sincerely,

Robert Rust
Chief Executive
