Dear Brett

**Woollamia Farmlets Small Lot Rural Subdivision Planning Proposal
Outcome of 16 September 2013 Development Committee Meeting**

Thank you for your letter dated 26 August 2013 providing Council with an extension of time to complete the Woollamia Farmlets Small Lot Rural Subdivision Planning Proposal.

Council's Development Committee considered a report on the landowner survey results and status of the Planning Proposal at its Meeting on Monday 16 September 2013. The Development Committee resolved (under delegated authority from Council) that:

- a) Council not proceed with the Woollamia Farmlets Small Lot Rural Subdivisions Planning Proposal; and
- b) Council reconsider the Planning Proposal should there be a change in the potential for the land to be part of a reticulated sewerage scheme.

In accordance with the above resolution, I am writing to advise that Council will no longer be proceeding with the Woollamia Farmlets Small Lot Rural Subdivision Planning Proposal.

I have attached a copy of the Development Committee Report for your information.
