Re: Planning Proposal to Amend the Land Use Table of WLEP 2010

Dear Ann

In accordance with section 55 of the Environmental Planning and Assessment Act 1979, please find enclosed a completed Planning Proposal to amend the land use table for WLEP 2010, together with the completed s.117 Directions.

The Planning Proposal has not, as yet, been sent to the Sydney Catchment Authority for comment. This would be done as part of the public exhibition of the Proposal, if requested by the Gateway.

This Proposal results from a Resolution of Council on 12 October 2011 to prepare a Planning Proposal and follows discussions between us about various matters. A copy of the Report and associated Minutes are also enclosed.

If you require further information, please contact me on 4868 0854 or susan.stannard@wsc.nsw.gov.au.

Yours sincerely

Susan Stannard
