

Mr Tim Moore
Director, Planning and Environmental Services
Marrickville Council
PO Box 14
Petersham NSW 2049

15/07056

Dear Mr Moore

I refer to Marrickville Council's letter, dated 13 April 2015, concerning the planning proposal to amend the Marrickville Local Environmental Plan 2011 for the Victoria Road Precinct, Marrickville.

I understand Council resolved to withdraw the Victoria Road Precinct planning proposal on 7 April 2015.

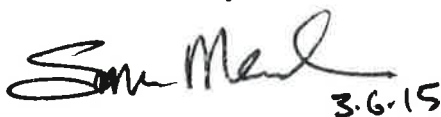

In accordance with Council's request that the planning proposal be formally revoked under section 58(4) of the *Environmental Planning and Assessment Act 1979*, I have determined that the planning proposal should not proceed.

The Department of Planning and Environment's LEP tracking system has been updated to reflect Council's request.

The Department is available to work with Council and the landowners in undertaking further strategic planning for the Victoria Road industrial lands.

Should you any enquiries about this matter, please contact Ms Diane Sarkies, Team Leader, Metropolitan Region (CBD) on (02) 8575 4111.

Yours sincerely

3.6.15

Simon Manoski
A/General Manager
