Dear Lee,

**PLANNING PROPOSAL (DEPARTMENT REF: PP_2014_MARRI_001_00)
FOR VICTORIA ROAD PRECINCT (PRECINCT 47) - AMENDMENT TO
MARRICKVILLE/SYDENHAM INDUSTRIAL LANDS**

At its meeting on 7 April 2015 Council considered a report on submissions received in response to the public exhibition of the Marrickville Employment Lands Study and community consultation concerning the Victoria Road Precinct.

The report also included minutes of the key stakeholder workshop to discuss the Victoria Road Planning Proposal which was attended by representatives of the proponent, the Department of Planning and Environment (DP&E) and Council. You will recall from the minutes of the workshop, DP&E staff expressed a preference for the current planning proposal to be withdrawn.

Councillors were also advised that following that workshop correspondence was received from the project manager for the abovementioned Planning Proposal, advising (in part):

"..... we believe it is now appropriate for Council to consider withdrawing the previous planning Proposal currently being considered by the Department of Planning and Environment."

In dealing with the matter Council resolved (in part):

"to withdraw the Planning Proposal for part of the Marrickville/Sydenham Industrial Area (Victoria Road Precinct 47), submitted by JBA Urban Planning Consultants, and advise the Department of Planning and Environment accordingly".

Accordingly, Council requests the Minister to formally revoke the planning proposal under section 58 (4) of the Environmental Planning and Assessment Act 1979.
