

20 April 2012

James,

Re: Built up area comparison at Wongabri

Please see below and attached with regard to your request to respond to this question raised at your presentation on Wednesday.

7 dwellings on Burradoo site:-

Each dwelling 1000m² + 300m² stables + 150m² garage
=1450m² each

Approximate total built area 1450 x 7 = 10,100m²

Proposed built are in open space concept:

Football – 480
Netball – 300
Toilet facilities – 450
Storage – 150
Total = 1380
