Dear Scott

Proposed Wadalba Woolworths Development

I refer to our telephone discussion on 20 June 2013, regarding the proposed Woolworths development in Wadalba. I represent MAK Property Investments Pty Ltd who is the property owner of 1 Edward Stinson Avenue, Wadalba which is the location of the Coles Supermarket in Wadalba.

I confirm that you explained to me that the rezoning proposal that would allow the proposed Woolworths development to proceed has not been publicly exhibited to date. You further advised that we would be notified of the public exhibition in due course and at this time we will be provided with the opportunity to object to this application prior to any decision being made regarding this proposed development.

As discussed, we object to the rezoning proposal to allow for a Woolworths to be developed. Upon receipt of the notification of the public exhibition we will submit a detailed response outlining the basis for our objection.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Per:
