Dear Mr Haddad

Re: Planning proposal for an amendment to Schedule 1 to add an additional permitted use in the Warringah Local Environmental Plan 2011

Warringah Council requests the Department of Planning and Infrastructure to provide a Gateway Determination under section 56 of the *Environmental Planning and Assessment Act 1979* to amend Warringah Local Environmental Plan 2011 (WLEP 2011).

The Planning Proposal involves an amendment to Schedule 1 of WLEP 2011 to include an additional permitted use for land described as Lot 2 in DP 1144741 Bundaleer Street, Belrose, known as the Belrose Waste Management Centre (BWMC).

Please find enclosed the following documents:

- Planning Proposal report
- Copy of Council Report and Minutes (dated 6 August 2013);
- Information checklist;
- Evaluation criteria for the delegation of plan making functions;
- Project timeline

Should you have any questions please contact Daniel Milliken, Development Assessment Officer on 9942 2474.

Yours faithfully

Michael Haynes
