Mr David Farmer
General Manager
Wollongong City Council
Locked Bag 8821
WOLLONGONG DC NSW 2500

Dear Mr Farmer

Planning proposal to amend Wollongong Local Environmental Plan 2009

I am writing in response to your Council's letter dated 11 October 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to identify 21 lots in the Lloyd Place/Otford Road, Otford precinct and No.3 Undola Road, Helensburgh on the Land Reservation Acquisition Map as Local Open Space.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

In relation to S117 Direction 6.2 Reserving Land for Public Purposes, I have agreed to the creation of land for public purposes because of the environmental significance of the subject land. No further referral or approval is required in relation to this Direction.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Mr Graham Towers of the Southern Regional office of the Department on 02 4224 9467.

Yours sincerely,

Gateway Determination

Planning proposal (Department Ref: PP_2013_WOLLG_002_00): to identify 21 lots on the Land Reservation Acquisition Map as Local Open Space.

I, the Executive Director, Rural and Regional Planning at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Wollongong Local Environmental Plan (LEP) 2009 to identify 21 lots in Lloyd Place/Otford Road, Otford and No.3 Undola Road, Helensburgh on the Land Reservation Acquisition Map as Local Open Space should proceed subject to the following conditions:

1. Prior to undertaking public exhibition, Council is to update the planning proposal to include Land Reservation Acquisition Maps, in addition to any other relevant maps prepared at an appropriate scale which clearly identify the subject lands.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A guide to preparing LEPs (Department of Planning & Infrastructure 2013)*.
3. Council is to ensure that the owners of the subject land affected by the acquisition are consulted with directly, as part of the public exhibition of this planning proposal.
4. No consultation is required with public authorities under section 56(2)(d) of the EP&A Act.
5. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
6. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 13th day of November 2013.
