Dear Ms Grant

Amended Planning Proposal: Land Reclassification of Land within the Botany Bay LGA

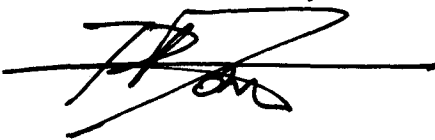

I refer to Council's letter dated 18 January 2012 which submitted a planning proposal for the reclassification of land within the Botany Bay LGA and to the Department's request for amendments.

I now attach an amended Planning Proposal and request that it be referred to the LEP Review Panel for determination under the 'gateway' process. Council proposes to reclassify the subject properties including:

- Part Lot 1, DP 207389 (being the Mascot Child Care Centre), Coward Street, Mascot
- Part Lot 1 & 2 DP 562501 (being the Hillsdale Child Care Centre), Tierney Ave and Flint Street Reserve, Hillsdale
- Lot 14 DP 248294, Coggins Place, Mascot
- Lot 1 DP 824042, James Bourke Place, Botany

Should you have any queries concerning this matter, please call Council's Chief Town Planner, Ms Catherine McMahon on (02) 9366 3520.

Yours faithfully

R J DOWSETT
