Mr Jim Montague
General Manager
City of Canterbury Council
PO Box 77
CAMPSIE NSW 2194

Dear Mr Montague

Planning proposal to amend Canterbury Local Environmental Plan 2012

I am writing in response to Council's 5 August 2013 letter requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 (EP&A Act), in respect of the planning proposal to amend Canterbury LEP 2012 to introduce a provision to permit the subdivision of dual occupancy developments to a minimum allotment size of 300sqm for each dwelling.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 6 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Michael Kokot of the regional office of the department on 02 8575 4105.

Yours sincerely,

R Jamming

Gateway Determination

Planning proposal (Department Ref: PP_2013_CANTE_004_00): to amend Canterbury LEP 2012 to include a provision to permit the subdivision of a dual occupancy.

I, the Regional Director, Sydney Region East at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the Environmental Planning & Assessment Act 1979 (EP&A Act) that an amendment to the Canterbury Local Environmental Plan (LEP) 2012 to amend Canterbury LEP 2012 to include a provision to permit the subdivision of a dual occupancy should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the EP&A Act as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2013) and must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2013).
2. No consultation is required with public authorities under section 56(2)(d) of the EP&A Act.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **6 months** from the week following the date of the Gateway determination.

Dated 26th day of September 2013.
