**PRELIMINARY CONTAMINATION ASSESSMENT: PLANNING PROPOSAL FOR
ADDITIONAL PERMITTED USE – LOT 102 DP 775450 SHOALHAVEN STREET,
KIAMA**

Dear Ms Davis

During the assessment process for the planning proposal at the abovementioned land, it was identified that the property address referred to in the contamination report, which formed part of the supporting material, incorrectly referenced the subject land as 104 Shoalhaven Street. It is also noted that the incorrect lot is identified in Figure 1 – Site Location.

The correct street address for the Planning Proposal and Stage 2 Preliminary Contamination Assessment, prepared by Earth 2 Water Pty Ltd and dated 30 July 2016, is 105-109 Shoalhaven Street, Kiama.

If you require any further information regarding the abovementioned documents please contact the undersigned on (02) 4232 0444.

Yours faithfully

Mark Lyndon
