

Gateway Determination

Planning proposal (Department Ref: PP_2014_WARRI_004_00): to rezone three public carparks to reflect the existing land use and ensure consistency with surrounding land use.

I, the Director, Metropolitan Delivery (CBD) at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Warringah Local Environmental Plan 2011 to rezone three public carparks should proceed subject to the following conditions:

1. Prior to undertaking exhibition, Council is to consolidate the three individual planning proposals into one proposal that clearly identifies all three sites:
 - Lot 1 McIntosh Road, Naraweena (Lot 1 DP 35105);
 - 9 and 11 Lagoon Street, Narrabeen (Lot 1 DP 1117584, Lot 5 Sec 38 DP 111254); and
 - 6 Collaroy Street, Collaroy (Lot 36 DP 11374).
2. Community consultation is required under sections 56(2)(c) and 57 of the Act as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs (Department of Planning and Environment 2013)* and must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning and Environment 2013)*.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the Local Environmental Plan is to be **9 months** from the week following the date of the Gateway determination.

Dated 28th day of November 2014.

Dear Mr Hart

Planning proposal to amend Warringah Local Environmental Plan 2014

I am writing in response to your Council's letter, dated 20 November 2014, requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to rezone three public carparks to reflect the existing land use and ensure consistency with surrounding land use.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the Local Environmental Plan should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment's regional team for administrative purposes.

The State Government is committed to reducing the time taken to complete Local Environmental Plans by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Ms Lee McCourt of the Department of Planning and Environment's regional office to assist. Ms McCourt can be contacted on (02) 8575 4129.

Yours sincerely
