Dear Mr Whitworth

DRAFT PLANNING PROPOSAL FOR GARRAWARRA HOSPITAL CEMETERY HERITAGE LISTING

Council has resolved to prepare an amendment to the Wollongong Local Environmental Plan 2009 to support the changes to *Schedule 5 – Environmental Heritage* for item 61028 “Garrawarra Hospital Cemetery” and “Garrawarra Hospital Heritage Conservation Area”.

Council at its meeting dated 14 July 2014 resolved under Section 54 of the Act to prepare draft Planning Proposal to amend the Wollongong Local Environmental Plan 2009, as follows:

- a. Amend the listing of Item 61028 in Schedule 5 – Environmental Heritage, Part 1 to:
 - i. Change the item name from “Garrawarra Hospital Cemetery”, to “Waterfall General (Garrawarra) Cemetery”; and
 - ii. Add Lot 3 DP 840501 and Lot 1 DP 1160404 to the property description;
- b. Amend the Heritage Map to expand the curtilage of Item 61028 to reflect the Curtilage Map within the Conservation Management Plan; and
- c. Amend the Heritage Map to expand the curtilage of the “Garrawarra Hospital Heritage Conservation Area” to include the “Waterfall General (Garrawarra) Cemetery”.

As required the following information has been provided:

- A copy of the draft Planning Proposal report prepared by Council; and
- A copy of the report to Council in addition to minutes from the Council meeting regarding the request to amend Schedule 5 and Heritage Map (addendum to this report is the *Waterfall General (Garrawarra) Cemetery: Conservation Management Plan* with additional supporting information).

It would be appreciated if you could review and seek a Gateway determination.

Council also intends to seek delegation to finalise the Planning Proposal. Please note that the proposed changes do not involve creating new listings, rather correction to existing heritage listings in Wollongong Local Environmental Plan 2009 in line with current information.

Please contact Emma Struys on 02 4227 8631 should you require further information.
