Mr Hugh Percy
Acting General Manager
Queanbeyan City Council
PO Box 90
Queanbeyan NSW 2620

Attention: Jacinta Tonner/Chris Kurzyniec

Dear Mr Percy

Planning proposal to amend Queanbeyan Local Environmental Plan 2012

I am writing in response to your Council's letter dated 29 May 2015 requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to rezone Lot 144 DP 754875, Wanna Wanna Road, Carwoola from E1 National Parks and Nature Reserves Zone to E2 Environmental Conservation Zone under *Queanbeyan Local Environmental Plan (LEP) 2012*.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistency with S117 Direction 2.1 Environment Protection Zones is of minor significance. No further approval is required in relation to this Direction.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within **12 months** of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the *Environmental Planning and Assessment Act 1979* if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Martin Brown of the Department's Queanbeyan office to assist you. Martin can be contacted on (02) 6229 7913.

Yours sincerely

Gateway Determination

Planning proposal (Department Ref: PP_2015_QUEAN_001_00): to rezone Lot 144 DP 754875, Wanna Wanna Road, Carwoola from E1 National Parks and Nature Reserves Zone to E2 Environmental Conservation Zone under Queanbeyan Local Environmental Plan (LEP) 2012.

I, the General Manager, Southern Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act* (the Act) that an amendment to the Queanbeyan Local Environmental Plan (LEP) 2012 to rezone Lot 144 DP 754875, Wanna Wanna Road, Carwoola from E1 National Parks and Nature Reserves Zone to E2 Environmental Conservation Zone under *Queanbeyan Local Environmental Plan (LEP) 2012* should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the *Environmental Planning and Assessment Act 1979* as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of A Guide to Preparing LEPs (Department of Planning and Environment 2013).
2. In accordance with s117 Direction 4.4 Planning for Bushfire Protection consultation is required with the NSW Rural Fire Service under section 56(2)(d) of the *Environmental Planning and Assessment Act* prior to community consultation. The Rural Fire Service is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the *Environmental Planning and Assessment Act*. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **12 months** from the week following the date of the Gateway determination.
