COMMENT <p>The VH-LA03 precinct under LEP 2005 was transferred to LEP 2015 as R3-LA04 and the incorrect label was inadvertently attributed to the precinct on the Built Character map. This correction applies to the land south of the highway including areas north of Honour Ave, and east and south of Benang St. The correct label should be R3-LA04</p> <p>Owners: private and BMCC</p>

EXISTING cl. 7.7 Lawson Precinct

7.7 Lawson Precinct

- (1) The objectives for development on land identified as “Lawson Precinct B2-LA01” on the [Built Character Map](#) are as follows—
 - (a) to maximise the diversity of retail and other business-related services provided primarily to local communities,
 - (b) to accommodate permanent residents in shop top housing that promote housing choice, incorporate high levels of residential amenity and encourage passive surveillance of streets and other public places,
 - (c) to encourage increases in floor space that are consistent with the desired appearance and functions of the town centre with public access to interiors provided only via streets, outdoor laneways or car park frontages, rather than indoor arcades,
 - (d) to provide places that serve as a focus of community and civic gatherings.
- (2) The objectives for development on land identified as “Lawson Precinct R3-LA02” on the [Built Character Map](#) are as follows—
 - (a) to ensure that future development retains the dominance of the Stratford Girls School tower,
 - (b) to ensure that development is appropriate to the heritage significance of the precinct and the surrounding heritage conservation area,
 - (c) to minimise the impact of development on land in Zone E2 Environmental Conservation.
- (3) The objectives for development on land identified as “Lawson Precinct R3-LA03” on the [Built Character Map](#) are as follows—
 - (a) to maintain the buildings that are heritage items and provide an appropriate curtilage around the buildings of heritage significance in the precinct,
 - (b) to promote residential infill development that complements and is sympathetic to the historic character of the surrounding area,
 - (c) to maintain views to public buildings of heritage significance,
 - (d) to continue public usage of Council offices,
 - (e) to minimise the impact of development on land in Zone E2 Environmental Conservation.
- (4) The objectives for development on land identified as “Lawson Precinct R3-LA04” on the [Built Character Map](#) are as follows—
 - (a) to maximise the diversity of residential accommodation available in Lawson village,
 - (b) to promote high levels of residential amenity for both future residents and existing neighbouring properties,
 - (c) to conserve significant bushland and garden character,
 - (d) to promote new residential buildings that, when viewed from the street, will have a form that is consistent or compatible with the general scale, bulk and architectural character of traditional single storey weatherboard cottages,
 - (e) to encourage restoration of traditional architectural forms and details for existing early 20th century cottages,
 - (f) to control building heights to follow the line of sloping topography on hillside sites,
 - (g) to provide on-site parking that does not dominate the street frontage.
