Hi Christina,

I previous error is noted. I have reviewed the attached updated Map Cover Sheet and it is correct.

Is there any notion of when Amendment 33 to NSLEP 2013 will be published?

Regards,
Katerina

Hi Katerina

I hope you are well and had a good break.

For amendment 33 for 50-56 Atchison Street, St Leonards, the Departments GIS team identified that there is an incorrect map identification number for Height of Buildings in the MCS and they have updated it on your behalf. The MCS is attached for your review. Could you please confirm that you are happy with it?

Regards
Christina
