Dear Michael

Re: Local Environmental Plan 2013 Planning Proposal No. 16 – LEP 2013 and Subdivision Boundary Anomalies at Bonville Parkway, Fairways Drive and Rangoon Avenue, Shell Cove

Following our initial correspondence forwarded to yourself on Monday 1 June 2015, Hanson has been working to determine the impacts of removing the mineral transition zone on the front 11 metres of the residential lots and part of Rangoon Avenue road namely lots 1255, 1256, 1257, 1258 and 1264.

To this point Hanson does not object to the removal of the mineral transition zone on the front 11 metres of the residential lots mentioned above and part of Rangoon Avenue road reserve.

If you any queries in relation to the fore mentioned please do not hesitate to contact me on 0419677894.

Yours sincerely,

Scott Tipping
