Dear Ms Lees

REQUEST FOR EXTENSION – PLANNING PROPOSAL TO AMEND WLEP 2009 – 117 DARKES FOREST ROAD, DARKES FOREST

The Gateway Determination issued on the 18 July 2017, states a one (1) year timeframe for completion, with a deadline of 18 July 2018. Council is seeking an extension of eighteen (18) months to enable the finalisation of the Planning Proposal once the proponent submits the additional investigations as requested by the Gateway Determination.

Please advise if the Department of Planning is able to accommodate this request for an extension to the original Gateway Determination date by a period of eighteen (18) months until 18 December 2019.

Please contact me should you require further information.
