

Mr Wayne Wallis
General Manager
Port Stephens Council
PO Box 42
RAYMOND TERRACE NSW 2324

Attention: Mr Steve Peart

Dear Mr Wallis

Planning proposal (PP_2019_PORTS_001_00) to amend Port Stephens Local Environmental Plan 2013

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) and additional information received on 4 September 2019 and 10 December 2019 in respect of the planning proposal to amend planning controls in the Port Stephens Local Environmental Plan (LEP) 2013 to facilitate the revitalisation of Nelson Bay Town Centre.

As delegate of the Minister for Planning and Public Spaces, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have also agreed, as delegate of the Secretary, that the planning proposal's inconsistency with section 9.1 Directions 4.1 Acid Sulfate Soils and 4.3 Flood Prone Land is justified in accordance with the terms of the Directions. No further approval is required in relation to these Directions.

Council may still need to obtain the agreement of the Secretary to comply with the requirements of relevant section 9.1 Directions 2.2 Coastal Management, 3.4 Integrated Land Use and Transport, 4.4 Planning for Bushfire Protection and 5.10 Implementation of Regional Plans. Council should ensure this occurs prior to the plan being made.

I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

The amending local environmental plan (LEP) is to be finalised within 18 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office six weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning, Industry and Environment.

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Mr Paul Maher to assist you. Mr Maher can be contacted on 4904 2719.

Yours sincerely

17/3/2020
