Dear Ms Cameron

**Planning proposal PP_2014_NEWCA_009_00 – Alteration of Gateway
Determination**

I refer to a letter received from City of Newcastle Council requesting to discontinue with the plan making process for planning proposal PP_2014_NEWCA_009_00, which seeks to apply planning controls to land affected by local government area boundary adjustment between Newcastle and Lake Macquarie.

The City of Newcastle Council advised that the application to the Office of Local Government to adjust the boundary at Minmi and Glendale remains undetermined. Should the application be approved in future, Council would consider the need for a new planning proposal.

While I have not received a formal request from Lake Macquarie City Council to discontinue the planning proposal, I believe the above approach has merit.

I have determined as the delegate of the Minister, in accordance with section 3.34(7) of the *Environmental Planning and Assessment Act 1979*, to alter the Gateway determination dated 27 October 2014 for PP_2014_NEWCA_009_00 (since altered) to not proceed.

If you have any questions in relation to this matter, I have arranged for Ms Caitlin Elliott to assist you. Ms Elliott can be contacted on 4904 2712.

Yours sincerely
