Dear Caitlin

**Planning Proposal PP\_2014\_NEWCA\_009\_00 – Amendment to Planning Controls for Newcastle / Lake Macquarie Local Government Boundary Adjustment**

I advise that City of Newcastle (CN) wishes to discontinue planning proposal PP\_2014\_NEWCA\_009\_00. The planning proposal was prepared to amend its planning controls to align with an intended local government boundary adjustment with Lake Macquarie City Council.

The two Councils resolved in 2009 to make application to the Office of Local Government to adjust the boundary at Minmi and Glendale to better align the boundary with future development in the western corridor. This application remains undetermined.

Development, however, has proceeded in the western corridor in line with the existing boundary and planning controls. Should the application to adjust the boundary be approved in future, CN would consider the need for a new planning proposal.

Please contact me on 4974 2879 or email [pmccarthy@ncc.nsw.gov.au](mailto:pmccarthy@ncc.nsw.gov.au) if you require any additional information.

Yours faithfully
