I, the Director, Southern Region at the Department of Planning, Industry and Environment, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Kiama Local Environmental Plan (LEP) 2011 to allow additional residential and commercial development on land at 11 Manning Street and part of 2 Havilah Place, Kiama should proceed subject to the following conditions:

  - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
  - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 6.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment, 2018).
  
2. Consultation is required with the following public authorities/organisations under section 3.34(2)(d) of the Act and/or to comply with the requirements of relevant section 9.1 Directions:

  - NSW Heritage (Department of Arts, Culture and Heritage) and
  - NSW Rural Fire Service (prior to public exhibition).
