Dear Ann

**Planning proposal PP\_2019\_WINGE\_005\_00 to amend Wingecarribee Local Environmental Plan 2010**

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to amend the Wingecarribee Local Environmental Plan 2010 by adding a new heritage item and a new conservation area concerning land at Aitken Road and Kangaloon Road, Bowral.

As delegate of the Minister for Planning and Public Spaces, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistency with section 9.1 Direction 3.1 Residential Zones is justified in accordance with the terms of the Direction. No further approval is required in relation to this Direction.

Council may still need to obtain the agreement of the Secretary to comply with the requirements of section 9.1 Direction 4.4 Planning for Bushfire Protection and Direction 5.2 Sydney Drinking Water Catchment. Council should ensure this occurs prior to the plan being made.

While I have considered Council's request to do so, I have determined not to condition the Gateway for Council to be the local plan-making authority given the potential social and economic impacts of the proposal and noting the dispute between a landowner and Council in relation to the extent of the heritage listing.

The amending local environmental plan (LEP) is to be finalised within 12 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request for the Department of Planning, Industry and Environment to draft and finalise the LEP should be made eight weeks prior to the projected publication date.

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Mr Andrew Hartcher, Senior Planner, to assist you. Mr Hartcher can be contacted on 4247 1823

Yours sincerely
