## Housing

- ### Existing FSR

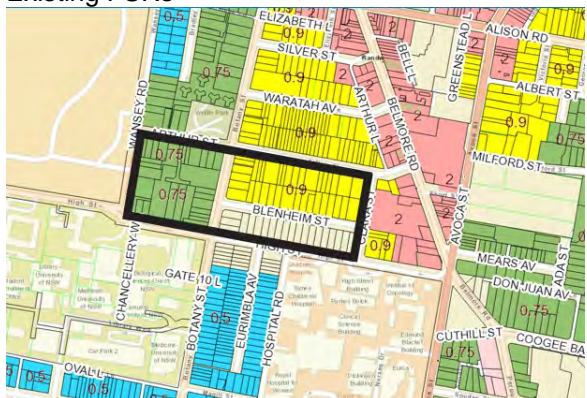

- ### Existing FSRs

This aerial map illustrates the proposed rezoning boundaries for the North End area in Cambridge, Massachusetts. The boundaries are highlighted in red. The map shows a mix of residential and commercial areas, including a baseball field on the left. Key streets labeled include ANTONIO DRIVE, PARADE DRIVE, SUFFOLK STREET, and CARLTON STREET. The proposed rezoning is categorized by density ratios: '2:1' for medium-density residential, '1.5:1' for low-density residential, and 'No change' for areas where the current zoning remains. The map also shows the proximity to the city center and the harbor.

- ## Existing FSRs

An aerial photograph of a residential neighborhood. A large area is outlined in red. This area is divided into two parts: a larger rectangular section on the left labeled '3:1' and a smaller, more irregular section on the right labeled 'No change'. The 'No change' section contains a white box with the text 'No change'. Street names visible include 'ARTHUR' at the top, 'WANN' on the left, 'WARATAH AVENUE' at the top right, 'CLARK STREET' on the right, 'BLENHEIM STREET' at the bottom right, and 'FIGHT' at the bottom left. The map shows various houses, trees, and parking areas.
