Nathan.

Thanks for doing this Gateway alteration. I'm a bit swamped at the moment.

Here's the request from Jenna from Shoalhaven City Council to extend the timeframe to complete the LEP by 6 months.

I'll put the hard copy file on your desk.

Cheers George

Hi George

The Gateway determination (attached) sets the timeframe for the completion of the LEP at mid-January 2020. I can advise that the PP is currently with NSW Water and the NSW RFS as per Condition 4 of the Gateway. Owing to the Christmas period, the PP will not be placed on public exhibition until the new year, probably the end of January/early February.

As such, it would be appreciated if you could extend the timeframe for the PP for a further 6 months.

Thanks,
