Dear Sir/Madam

**Gateway Determination Request
2019 Heritage Housekeeping Amendments - Planning Proposal**

I am writing to submit the attached 2019 Heritage Housekeeping Amendments Planning Proposal (PP) for Gateway determination under Section 3.34 of the *Environmental Planning and Assessment Act 1979* (EP&A Act). The PP has been prepared in accordance with Section 3.33 of the EP&A Act and sets out the objectives, intended outcomes and justification for the proposal.

A copy of Council's resolution and supporting report is attached to Council's PP, along with other relevant documentation.

The PP seeks to amend Shoalhaven Local Environmental Plan (LEP) 2014, specifically Schedule 5 Environmental Heritage and the associated heritage mapping. The amendments to the LEP are predominantly administrative in nature, responding to anomalies that have been identified through the operation of the Plan. In addition to these administrative changes:

- New components are proposed for two (2) existing items (items 202 and 215),
- One (1) existing item is proposed to be also listed as an archaeological site (item 407), and
- Two (2) new listings are proposed (items 540 and A7).

The PP is a minor housekeeping amendment, and as such, Council is seeking delegation to make the plan.

If you need further information about this matter, please contact me on (02) 4429 3482. Please quote Council's reference 58081E (D19/423113).

Yours faithfully

**Sarah Hirst
