Dear Dr Dale

**Planning proposal PP\_2017\_EUROB\_004\_01 – Alteration of Gateway  
Determination**

I refer to Council's letter seeking an extension of time to complete planning proposal PP\_2017\_EUROB\_004\_00 to amend the Eurobodalla Local Environmental Plan 2012 to introduce flood mapping, amend clause 6.5 flood planning and amend zoning and minimum lot size for flood affected land at Eurobodalla.

I have considered the reasons for Council's request to extend the timeframe for finalisation and have determined as the delegate of the Minister, in accordance with section 3.34(7) of the *Environmental Planning and Assessment Act 1979*, to alter the Gateway determination dated 27<sup>th</sup> November 2017 by extending the timeframe by six months. The Alteration of Gateway determination is enclosed.

Council may need to consider if any further consultation is required if any post consultation changes are made to the planning proposal.

If you have any questions in relation to this matter, I have arranged for Mr Nathan Foster to assist you. Mr Foster can be contacted on 4247 1825.

Yours sincerely
